## Summary

Life is full of decisions, and often we find ourselves seeking clarity - but that's not really what we need. What we need is a perfect guide that we can trust. In this teaching, we'll explore how the Holy Spirit is our good shepherd, who meets us in every decision and faithfully guides us step by step.

## Small Group Questions

- When have you had an encounter with God in your life? What happened? Did you recognize it right away or did it take awhile?
- When you hear the phrase “God, You are my Shepherd. I have everything I need,” what stirs in you? Comfort, skepticism, peace? Why?
- What’s your relationship or experience with God the Holy Spirit? What questions do you have?
- What is currently crowding out stillness in your life? What might it look like to intentionally “breathe” and create space for God this week?
- Holy Spirit speaks to us in many ways: thoughts, nudges, a sense of peace or unease. Where in your life have you experienced God meeting you in this way?
- Have you ever taken a step without full certainty and later seen how God was present in it? What did that experience teach you?
- Where in your life might you be looking for some guidance. How can we pray for you?
