

## **Choosing to Believe God is With Us While We Wait**

### **Icebreaker:**

1. What is your favorite part of Christmas dinner?
2. What is the worst Christmas gift you've ever received?

### **Summary:**

We don't always understand the will of God when we are in the middle of the story. Joseph and Abraham both chose to believe God and follow Him into uncertainty despite having to wait to see that faith rewarded.

### **Engage the Bible:**

Read Genesis 15 & 17 as a group. Underline key phrases and discuss what stood out to you.

### **Small Group Questions:**

- What are some areas in your life where you are currently believing God will act? How can you trust God more fully in your waiting?
- What are some ways you've seen God's faithfulness during challenging moments in your own life? How do these experiences shape your trust in God today?
- How can we as a community support one another in times of waiting or uncertainty? What role does shared faith and encouragement play in helping us trust God's timing together?
