Subject: Grundy Campus - Meet the Team Leading Us Forward & FAQ's

Hey Orchard Hill-Grundy Campus Family!

As we walk through this season of transition at the Grundy Campus, we want to keep you informed, encouraged, and connected. Our leadership is committed to staying focused on what matters most—helping next generations encounter and follow Jesus to bless a broken world.

We're excited to introduce you to the **Leadership Transition Team** helping guide this next chapter. This group is made up of trusted lay leaders who bring wisdom, Board experience, and deep care for our campus. You'll find a photo with names & emails of this team attached below.

Also, attached you'll find a picture of **our amazing Grundy Campus staff** who continue to serve and lead faithfully. Their commitment to our church family has been steady and strong through this change.

Transition FAQs

1. Who's leading right now?

We have a Leadership Transition Team made up of staff and trusted leaders, along with support from our broader Orchard Hill leadership, to ensure strong, steady guidance through this time. [Photo of our Leadership Transition Team](#)

2. Will regular ministries continue as usual?

Yes! Sunday services, Kids Ministry, Student Ministries, Small Groups, and Events are all moving forward as planned. Check out www.orchardhillchurch.org/grundy at any time for the most recent events & announcements. If you're unsure who to contact for something, just reach out—Jenn Venenga jvenenga@orchardhillchurch.org can point you in the right direction.

3. What's next in the transition?

We're actively praying and discerning what the future leadership structure will look like for Grundy. We are looking for a Campus Pastor who does or will live in Grundy County. Your presence, prayers, and participation are essential as we move forward together. If you want to join our Transition Prayer Team - contact Mark Kuiper mkuiper@iowatelecom.net

We are so grateful for each of you—your faith, your service, and the way you show up for this church and community. God has good things in store, and we're excited to keep following Him together. **Isaiah 43:19** “See, I am doing a new thing! Now it springs up; do you not perceive it?”.

Sincerely,

Jenn Venenga - Campus Leader
